Engineering

Position/Title:

RF Engineer

Details:

Eagle Communications is seeking an Engineer to join our team of employee-owners within our broadcast footprint in Kansas, Nebraska and Missouri.

Experience:

5 years RF engineering experience required

Position Requirements:

- Duties include maintenance & repair of analog & digital high-power FM transmission systems, AM directional, analog and digital systems, computer networks, automation systems, servers and networking.
- The location of this position is flexible, but must be within Eagle's broadcast footprint.
- Travel will be necessary across our footprint (KS, NE & MO) – must have a valid driver's license.

Salary:

Compensation is commensurate with experience. Eagle offers a competitive benefits package including health insurance, 401(k), paid vacation, and employee stock ownership plan.

Other information:

Apply online at www.eagleradio.net/careers/. Applications will be accepted until the position is filled. The selected candidate will be required to pass a criminal history background check and motor vehicle check. Eagle Communications is an Employee-Owned company and an EEO employer.

Vacancy Type:

Full Time

Salary:

Compensation is commensurate with experience. Eagle offers a competitive benefits package including health insurance, 401(k), paid vacation, and employee stock ownership plan.
