

**Category:**

Information Technology

**Position/Title:**

Internal IT Systems Engineer

**Details:**

Creating a good experience at Eagle for our clients, listeners, and viewers requires office automation and the latest IT systems necessary to operate our radio, online, and creative services; and our employee-owners, of which you could be one, certainly have a better working experience when computers, printers, and email all function like they are expected to.

If you have experience installing and configuring Microsoft Windows platforms, networking solutions, wireless infrastructures, routers, switches, firewalls, and security and you possess the unique ability to happily answer the phone and positively respond to a fellow employee-owner who says, "My laptop isn't working" – then apply for this position and come help Eagle.

The location of this position is flexible across our footprint. The right candidate must also have the ability to travel across the company footprint, as necessary.

**Vacancy Type:**

Full Time

**Salary:**

Salary: Compensation is commensurate with experience along with a competitive benefits package including health insurance, 401(k), paid vacation, and ESOP (employee stock ownership plan).

**Date Posted:**

7/21/2022

**Closing Date:**

8/21/2022

**City:**

St. Joseph

**State:**

Missouri

**URL:**

**Job responsibilities include but are not limited to:** Overseeing the operation of all company internal IT systems, researching new technologies, managing servers, administering email and office collaboration systems, and purchasing and installing new hardware and software.

**Experience and Requirements:** Qualified candidates must have a proven history of administering IT systems in a commercial business environment and have not just knowledge of computer hardware, software, and peripherals but also the ability to maintain their intended working operation. Candidates for this position also must have experience managing wired and wireless networks and respond calmly, effectively, and with a smile while those around you are panicked because the copier/scanner/printer isn't working.

**Other Information:** Apply online at [www.eagleradio.net/careers](http://www.eagleradio.net/careers). Applications will be accepted until the position is filled. Eagle Communications is an employee-owned company and an EEO employer. The selected candidate will be required to pass a criminal history background check and motor vehicle check.
