Position/Title:
Graphic Designer

Details:
Do you want to be part of creating a better experience where you live, work, and play? Why not only grow with a company where you are not just an employee but also where you can be an owner?

Our company: Founded in 1948, Eagle Communications is a Kansas-based media company with 175 employee owners. The company operates 31 radio stations in Kansas, Nebraska, and Missouri. In addition to radio, the company offers online solutions, web development, video production, and creative services -- all for the purpose of supporting the communities we serve to grow and remain vibrant.

Eagle is a leader in the industry as the company continues to grow. We made three acquisitions throughout 2020 and the COVID-19 pandemic and continue to invest in our employees and business.

Our digital team is seeking an experienced and self-motivated graphic designer.
