

## **R&J Broadcasting, Inc. Hiring Full-Time Ag Broadcaster**

R&J Broadcasting, Inc., is hiring an ag broadcaster for their western Minnesota/eastern North Dakota market. We are hiring an individual with a passion for agriculture and the ability to work within a team and culture to promote and advocate for our local and regional ag producers, businesses, and organizations. This position requires strong communication and journalism skills for audio and video ag news reporting as well as website and social media engagement. Membership dues to the National Association of Farm Broadcasting (NAFB) are provided. This full-time position is complemented with opportunities for the ag broadcaster who reports ag news and comes with sales experience or the desire to improve his/her career with sales compensation. This position is with proven agricultural contacts and an established sales advertising list.

We offer a competitive salary and bonus compensation with benefits and profit sharing. All experience levels are encouraged to apply. Send your resume and cover letter to [apply@rjbroadcasting.com](mailto:apply@rjbroadcasting.com).

Position would be based in Ada, Minnesota. Agriculture is our bread and butter. Strong impact in the area from sugar beets, wheat, corn, soybeans, small grains, potatoes, sunflowers, dry beans, and livestock. R&J Broadcasting, Inc., is a privately-owned media company based in northwest Minnesota, featuring 12 radio stations with a listening area throughout northwest and central Minnesota as well as eastern North Dakota. With live video streaming and regional cable broadcasts, R&J Broadcasting, Inc., continues to find ways to serve our local and regional communities and farms with the information and content they desire.

R&J Broadcasting, Inc., produces localized programs focused on local and regional ag information. Opportunities with four-season outdoor recreation abound with lakes, golf courses, parks, and trails. Within easy driving distance of Fargo and Grand Forks, North Dakota, as well as Thief River Falls, Bemidji, and Detroit Lakes, Minnesota, providing additional shopping, dining, concerts, and entertainment. College and amateur sports also provide greater experiences for you to enjoy. If you are serious about agriculture, the Red River Valley soils, and the ag broadcast opportunities with R&J Broadcasting, Inc., we are here for you!
