

Results Townsquare Media – Sioux Falls, SD

Rare Career Opening . . . \$5,000 Referral Bonus

After 14 years with Results Townsquare Media in Sioux Falls, one of our senior sales & marketing team members passed away unexpectedly. The businesses with whom he worked really liked him; they appreciated his strategy skills and how he cared more about helping them grow vs. selling them. As a result, he created a list of well-known, respected, and successful business clients. Our entire team and his clients are going to miss him.

We now have a rare opening for someone to join our team and work with these businesses who already know us, use us, and depend on us. If you or someone you know understands marketing and business principles and still wants to learn and grow, contact us. Because this is an important position, we're offering a \$5,000 referral bonus.

Call or text Chad Jacobs at phone 605/940-3355 for additional information.
