

3/26/18

Agribusiness Director - TSN

One of the most respected networks in the country, The Texas State Networks, is looking for a full-time Agribusiness Director to lead our ag network. Our ideal candidate has experience in agriculture reporting along with strong news gathering and interviewing skills. Your duties will include hosting our Lone Star Farm and Ranch reports along with other agriculture and news reports.

Previous on-air radio experience required along with social and digital media experience. Must be able build strong relationships in the farming communities. This position is based in Dallas.
