

## **Red River Farm Network Farm Broadcaster**

The [Red River Farm Network](#) is looking for a motivated broadcaster to join our team. This full-time position is responsible for researching, gathering, writing and delivering agricultural news content.

This farm broadcaster should have experience in journalism or related fields. Exceptional communication skills, both oral and written are required. In addition to our on-air product, this individual has responsibilities with an electric newsletter, digital media and possibly working on a print publication.

This position offers something new every day, covering local, regional and national agricultural news. This individual will attend press conferences, participate in meetings and events. This broadcaster must be willing and able to travel locally, regionally and nationally to cover news events.

### **Job requirements:**

- Experience in radio broadcasting or journalism
- Exceptional written and verbal communication skills
- Good grammar
- Broad knowledge of agriculture
- Must be able to meet deadlines, multitask and be a self-starter
- Have integrity and a strong work ethic
- Ability to be a team player and work with others
